

Policy:

Match Run information will be verified by a Transplant Coordinator on all deceased donor organ offers prior to potential recipients being called in for a transplant event. If verification of all elements cannot be completed, the potential recipient will not be contacted.

Procedure:

The individual responsible for notifying the patient of an organ offer will review the Donor ID #, Donor ABO, and intended recipient name/demographic data through DonorNet.

Recipient Name: _____

Recipient Social Security Number: _____

Licensed Transplant Employee
Donor ID #:
Donor ABO:
Verification of Recipient Name:
Verification of Last 4 of SSN#:
Signature:
