

 The Transplant Institute METHODIST DALLAS Methodist Dallas Medical Center	Title: Waiting Time Transfers	Effective Date: 06/2021
	Section: Liver, Kidney and Pancreas	
Approved by:  Jeffrey Weinstein, M.D., Liver Medical Director		Revision Date(s): 05/2024
 Jose Castillo-Lugo, M.D., Kidney Medical Director		Next review Date: 05/2027
 Melody Holder, BSN, RN, CCTC Director of Transplant Clinical Operations		

Purpose: To ensure consistent patient notification when recipient transfers waiting time from another center to Methodist Dallas Medical Center (MDMC)

Policy:

- Patient will complete OPTN Wait Time Transfer Form
- MDMC Transplant staff will submit form via fax to UNOS
- The OPTN will notify MDMC Transplant when wait time transfer has been completed
- MDMC Transplant will notify patient and dialysis center (if applicable) via that transfer has been completed within 10 business days of receiving notification from the OPTN. Notification will be documented in the medical record
